The drawing should be filed as a separate paper with a transmittal letter addressed to the Drawing Review Branch.

### 2. Timing of Corrections

Applicant is required to submit acceptable corrected drawings with a cover sheet in the Office of the Examiner (PTOL 55). If a correction is not deemed acceptable, the applicant must attempt to have the unacceptable corrections resubmitted within the time period of six months from the date of the notice of the correction. The applicant must file the corrected drawings as soon as possible.

Failure to make corrective action within six months may result in the application being considered abandoned.
